

Little Bay Living – Community Information and Feedback Session – Feedback Form

We would appreciate your comments on the material displayed and, in particular, your ideas about the types of community facilities or activities that could be provided in this area. Elton Consulting will independently collate all the feedback information we receive from both the session and this feedback form. To protect your privacy no individual comments will be identifiable in any reporting associated with this process.

1. What do you think are the three most important things that need to be addressed by the project team in the future planning for the site?

- a) _____
- b) _____
- c) _____

2. What are some of the things you think the project team could do to improve the master plan?

3. What environmental initiatives most appeal to you? Please tick

Water
